

Investment Intern, Nrep, Stockholm (autumn 2025)

Deadline:
02-03-2025

Investment Internship Opportunity at Nrep, Autumn 2025

Nrep seeks motivated students for 4–6-month internships at our Stockholm Office. Boost your analytical and investment capabilities while making a positive impact on the planet investing with sustainability top of mind.

Your role will include supporting our professionals in sourcing and evaluating new investment opportunities, managing portfolios, and growing our business. You will get firsthand experience in different stages of the investment lifecycle and contribute to decision-making procedures.

While enhancing your analytical, problem-solving, presentation, and collaboration abilities, you gain a comprehensive understanding of investment processes, making these internships valuable for those considering careers in private equity, investment management, and more.

About Nrep: We're a leading European private equity real estate investor with €19bn under management. Our approach combines focused investment strategies and active asset management.

Why Us: Work with a growing international company that promises professional development, training, mentoring and promotes an inclusive workplace.

Ideal Candidate: We value analytical strength, cooperation skills, initiative, and high integrity. Ideally, candidates should be in their 3rd or 4th year of university studies focused on relevant subjects e.g., finance, engineering or business law. Proficiency in Excel and PowerPoint is a prerequisite. Prior experience in industries such as Consulting, Banking, or Private Equity is greatly appreciated but not mandatory.

Timing: Fall 2025 starting in August, ending in December.

Apply through our recruitment system with a cover letter, CV, and university transcript of records.

We review applications continually, and selected candidates will be invited for interviews.

The internship runs from August to December 2025, with flexible dates and potential team rotation.
